Pop up in the Parks

Crewe Town Council has teamed up with Everybody Health and Leisure to deliver a range of health and wellbeing activities within parks around Crewe throughout summer.

These free fitness and wellbeing classes for Crewe residents are available in our local parks, accessible for everyone and help to tackle social isolation and improve physical and mental wellbeing!

Sessions will run on a four-week rotation schedule and the parks and activities will vary so keep checking our webpage for updates. Outdoor classes will run mid-June to mid-September each year for the next three years.

No need to book, just turn up, wearing comfy clothes and shoes.

Visit Crewe Library to find out how you can join the reading challenge for **FREE**, and earn yourself a certificate and medal by reading 6 books of your choice over the summer holidays.
